

Ron Crane Scales & Dynamometers

Ron 2501-S

Wireless Dynamometer

Capacities: 1000 Lbs/0.5t to 600,000Lbs/300t

Transmission range:
150 yards / meters
(Outdoor, line of sight)

Ron 2000-S

Dynamometer with wired remote display

Capacities: 1000 Lbs/0.5t to 600,000Lbs/300t

Cable length 16 ft.

Ron 3050

Crane Scale with large 2"/50mm display

Capacities: 1000 Lbs/0.5t to 30,000Lbs/15t

With optional protective cage

Ron 3025

Scale with 1"/25mm display

Capacities: 1000 Lbs/0.5t to 25,000Lbs/12.5t

With optional protective cage

Attributes

- Lightweight and portable
- Heavy duty designs with shock-absorbing mechanisms
- The exclusive use of high grade aerospace steel for load cell bodies
- Shackle holes offset 90 degrees to eliminate bending of the load cell - resulting in increased safety and accuracy
- Accuracy: 0.1% of full scale
- Safety factor: 5:1
- Variety of capacities from 0.5t to 300t (dynamometers)
- Battery life of up to 2000 hours using common alkaline batteries (optional: up to 4000 hours on the wireless Ron 2501)
- Compact dimensions ensure minimal loss of headroom
- Short delivery time - in most cases 48-72 hours
- Reliable transmission: Our wireless systems are programmed to ensure that the displayed value is identical to that transmitted
- Safety - Four decades in the market with repeat customers such as NASA, SpaceX, Boeing, GE, Lockheed Martin, as well as numerous other customers
- Advanced, multi point load monitoring: Monitor multiple load points simultaneously from your SMARTPHONE, TABLET or LAPTOP
- User selectable units (metric tons, short tons (2000 lbs), kgs, lbs and more.)
- Pelican carrying case included (Ron 2000 / Ron 2501)

Foundry Version

Wireless Ron 2501 Dynamometer / Crane Scale
Includes heat shield and internal thermometer

Ron Crane Scales & Dynamometers

Who we are

For the last 40 years Eilon Engineering has specialized in the development and manufacture of Ron Crane Scales™ dynamometers and load cells - all innovative, state-of-the-art products incorporating the latest technologies. Ron Crane Scales™ has become renowned as a global market leader, with a wide-spread international reputation for excellence. All our products are manufactured in accordance with internationally recognized standards under our ISO 9001 quality approved registration.
